EDITORS' NOTE

RSP issue 54/ 2017: New Editorial Policy

RSP issue 54/ 2017 (June 2017) points a new arena of the editorial policies. Moreover, we will focus on encouraging also the publication of the niche analysis, media scrutinings and interpretations, legal contributions challenging current debates within the European landscape, security appreciations, economic notes and sociological observations. The new **RSP** editorial policy will increase scientific knowledge and will provide a basic-to-complex transition to the new post-integration academic discourse identified in Central and Eastern Europe in the last ten years.

Wishing you all the best,

RSP Editors
